

Emmett Louis Till

After this as I said before this caused the struggle for justice across the country even segregated south was included in this movement.

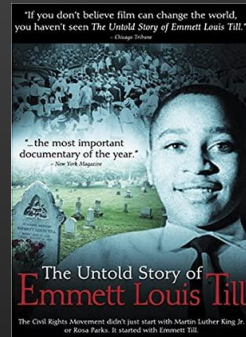

One thing I noticed about this person is that he was just accused of what he did no-one ever said that he actually did it.

At the funeral for Emmett his mother requested an opened casket to make the world see her son's beaten and swollen body,

Emmett Louis Till was a 14 year old boy who went to school at Mccosh Elementary School and lived in Chicago. His parents were Mamie Till and his father was Louis Till.

Emmett Till was accused of offending a white woman in her family's grocery store, Till's death sparked the movement known as the struggle for justice or the civil rights movement.
